Headline: August 2021 Spotlight - Sunshine Home and Companion Care, LLC

Polk County, FL - Sunshine Home and Companion Care is a Christian based business and runs their whole business based on biblical values and truth. All employees follow the basic principles of Christian living and integrity with excellence. Sunshine Home's team will not tolerate any activity or action that displays anything less than what Jesus Christ would expect. The team takes great measures to ensure that the love of God is displayed in their work. With that said, they show love and respect to each client and their families despite their belief system. Sunshine Home extends love to everyone they meet.

Sandie Gipson is the president and owner of Sunshine Home and Companion Care. Her mother was affectionately known as "Sunshine" by all of her grandchildren since rocking them as babies in her rocking recliner singing "You are my Sunshine." While Sunshine spent her last years in and out of rehab, it was Sandie's mission to be present at all times. It occurred to her that there were many at the rehab that longed to be home. They would have loved to have been home with a little extra help to do the things that they could no longer do around the house. Sandie understood that grown children are sometimes long distance and do have families and work. This can be a challenge to the grown children in deciding what kind of help their senior parent or loved one needs.

The services that Sunshine Home provides are light duty housekeeping, laundry, meal prep, meal planning, laundry, grocery shopping, errands, companionship, engagement and activities, medication reminders, and so much more. Sunshine Home's goal is to keep every senior in their home for as long as possible and to age in place with dignity.

Sunshine Home and Companion Care is also very community oriented and active within the Polk County area. The team does have a senior ministry extension to other services provided. Sunshine Home believes that wellness includes body, mind, and spirit. Their rates are very competitive and easy to fit into any budget. It is Sunshine Home's goal to keep rates down so that they can be available for families in need. Sunshine Home's team is the recipient of the 2018 and 2019 Exceptional Caregiver awards and the Hometown Hero Award Polk County for 2019. It is Sunshine Home's mission to be of service to the seniors of our community and surrounding area. And it is their pleasure to do so.
