Jade has lived in California, Hawaii, Florida, and Norway, and of all the places she has lived in, Davenport, FL (right here in Polk County) has always felt like home. She always wants to make a difference and is active in and has a heart for the communities she serves. She is excited to connect with and assist more of the Northeast Polk area by being a proud and active member of the Northeast Polk Chamber of Commerce. With that said, all Chamber members will receive a portion of their closing costs back when using Jade Henrickson, REALTOR® to sell or buy property! Just mention that you are a Northeast Polk Chamber of Commerce member. In addition, a portion of Jade's commissions will be donated to various nonprofits and charitable organizations.

BREAKING NEWS! Jade is certified in the Florida Hometown Heroes Housing Program that offers over 100+ occupations up to THOUSANDS of \$\$\$'s in down payment and closing costs assistance.

Having lived on an air force base in Hawaii many years ago, she appreciates the hard work all our heroes do and is excited to be able to give back to the community. In addition to Hometown Heroes, she is certified in various programs to help first-time homebuyers, as well as seller programs to help homeowners and investors unlock the equity in their current property to use when purchasing a new property, without having to sell first.

Jade would love to connect, and is actively engaged in the community she serves. When not working on helping clients generate wealth through real estate, you can find her spending time with family, riding roller coasters, or enjoying a nearby lake or beach in this little piece of paradise called Florida.

In Hawaii, someone can be said to 'live aloha' or 'show aloha' in the way they treat others - whether family, friend, neighbor, or stranger. When you work with Jade Henrickson, you can be sure that you will be treated like 'ohana'/family!
