

[Central Florida Health Care](#) is a Federal Qualified Health Center, patient centered medical home serving patients in Polk, Highlands and Hardee Counties.

CFHC has 12 clinics in Polk County and we are open with normal business hours providing urgent healthcare needs at this time. We see all patients – uninsured, underinsured, insured, Medicaid and Medicare patients.

We are providing COVID – 19 testing to anyone that meets the criteria for testing. Our call center is open and taking all calls to help anyone that has questions or needs to be seen by one of our providers. If you are worried that you have COVID-19, we recommend you seek care first by calling us. We can evaluate you and determine if you meet the CDC guidelines for testing based on symptoms, travel and exposures. If you do meet the criteria, you will be advised as to how to proceed with testing. Our call center number is 866-234-8534.
