

A message from Joe Campoamor: IFT response to COVID-19

At Integrity First Title, the health and well-being of our customers, employees and communities is our top priority. We are actively monitoring updates regarding the Coronavirus (COVID-19) and are following precautions and guidelines provided by the CDC and public officials.

Title agencies have been designated as an essential service provider. IFT will be here throughout these trying times to serve all of your real estate transaction needs.

Integrity First Title has implemented several measures at each of our locations to protect the well-being of our customers, Realtors and Employees. In addition to performing rigorous cleaning throughout the day, practicing social distancing and providing a new pen for each signor we have also done the following:

- Limited attendees of in person closings to only those that must sign documents
- Separated buyers and sellers of the transaction to limit contact
- Accommodate drive-through signings outside of our offices as requested
- Perform Remote Online Closings (RON) for sellers, cash buyers and, if approved by the lender, buyers with purchase money mortgages or refinances

I would also like to note we have stopped all non-essential travel and client visitation. Although our account managers may not show up in your offices for a while, they are still working diligently and are available to assist your needs.

Thank you for your continued support, we will get through these unprecedented times together! Do not hesitate to reach out should you need additional support or assistance.

Thank you,

Joe
