Headline: December 2022 Spotlight - Eye Specialists of Mid-Florida, P.A.

Polk County, FL - Eye Specialists of Mid-Florida, P.A. is committed to the delivery of personalized eye care of the highest quality. This will always be the most important practice objective. Without it, we cannot provide the level of care that the patients deserve. We believe that any organization, particularly a patient care facility, cannot improve without paying attention to the human element.

Our commitment has always been to put our patients first and to provide the level of care our patients deserve. Eye Specialists of Mid-Florida's integrated eye care business includes ophthalmology, optometry, glaucoma, Lasik, laser surgery, cataract surgery, eyelid lifts, diagnosis and treatment of retina and cornea disorders, and a full range of eyeglass lenses and frames, contact lenses, sunglasses, frame repair, and optical accessories.

Our eye doctors and staff are committed to providing the highest quality and most technologically advanced eye care in a compassionate, friendly, comfortable atmosphere. Maintaining and improving your gift of sight is what drives us to deliver the most comprehensive services offered today. Call us today at 800-282-3937 to schedule an appointment or to learn more, visit us online: EYESFL.COM.
