

FFA Leadership Training Center is a great place for a family reunion, business luncheons, weddings, family reunions, retreats, etc. There is lodging, kayaks, canoes, a boat dock and launch for fishing, camping, and more.

We are hiring:

Dishwashers

Cooks

Housekeepers

Laundry Attendants

PT and FT positions available. We need people who can work every day of the week. Most are day and mid-afternoon to evening shifts. We can work around schedules mostly, but we do need all shifts covered. Applicants need to be available on holidays also as we are open 365 days a year.

Housekeeping- needed on Mondays, and weekends mostly, but will take anyone with open availability. There may be times we need someone till 7-8pm, but that is rare. Someone with hotel or hospital janitorial/housekeeping is a plus.

Laundry Attendants are needed throughout the week. There may be times when they need to clean rooms so a background in housekeeping would be a must. They must be able to work in a group or alone with minimal supervision.

Cooks will need resumes and prior experience. They will need open availability and can work days, nights, weekends, and holidays.

We are opening a restaurant in September and will need a lot of culinary people for that, but for summer we are in dire need of Cooks and dishwashers.
