Headline: July 2021 Spotlight - Haines City Community Theatre

Haines City, FL - What started as two Haines City educators, Nancy March and Jan Brungard, looking to raise money to purchase audiovisual and athletic equipment for the high school ended up as a community theater for 40 Seasons!

According to Chris Walsh, the theatre's president, "Our mission is simple. Haines City Community Theatre (HCCT) is a group created to entertain, enrich, and educate the community by providing an intimate live theatre experience at a reasonable price to the residents of the city and surrounding areas, while also offering actors, directors, technicians, and other support staff the opportunity to develop and expand their talents. As we go into our 40th season our mission statement guides us as to what decisions to make in the best interest for the community and the theatre."

Chris continued, "For the 40th season, we decided to do something special. We are bringing music back to Haines City Theatre with a special tribute to Tony award winning musicals. This is a limited engagement, being shown only on July 17th at 7:30 p.m. and on July 18th at 2:30 p.m." Reserve a seat by calling the theater at (863) 421-1893. They have a great 40th season

ahead of them. For the fall production, the theatre will reprise *Bakersfield Mist*. In the new year, the theatre will be presenting the comedy musical *Nunsense*, followed by the spring play, a sci-fi mystery, *The Spider and the Fly*.

HCCT is a registered 501(c)3 nonprofit organization. All participants are volunteers, and more volunteers are always needed. Please visit them on their website at <http://www.hainescitytheatre.com> and/or follow their Facebook page - <http://ow.ly/hVfi30rLM1j>
