Headline: November 2022 Spotlight - Farmers Insurance - Lorna Wilson Agency

Polk County, FL - Serving Polk County and the surrounding areas, hello from the Lorna Wilson Agency! Here is a little bit about our office and your future insurance agent!

Lorna started her insurance career at Progressive as a claims adjuster. After 15 years with Progressive, she decided it was time for a change. So, with a passion for the industry and helping people, she made the move of opening her own agency in March of 2020. Lorna loves people and building relationships, which is why she excels as an agent. She always puts her clients' needs first. To Lorna and her team, clients are not just clients, they are family.

As a native Central Floridian, the community and people are an essential part of the office. Therefore, the Lorna Wilson Agency strives to give back by sponsoring many of the surrounding schools including Lakeland High School's Volleyball, Discovery High School's Basketball, Auburndale High School's Boys Soccer, and Haines City High School Football. The office is also actively involved in the annual Northwest Neighborhood Association Annual Back 2 School Bash.

With 35+ years of experience, the team is knowledgeable and experienced in the insurance industry. They are here to help explain coverages and policy details for you to better understand your policy; as well as properly assess your risk needs to provide a full circle protection for you. The office specializes in home, auto, umbrella, business, life insurance, and Medicare. With multiple carriers, they will always have a solution for you. Give Lorna and her team a call today!
