## **Kona Ice Brings a One-of-a-Kind Experience to Residents in Davenport**

### ***Mobile Franchise Expands in Florida, Giving Back to Community Schools and Organizations***

**DAVENPORT, Fla.** – Bringing tropical tunes and cups of [shaved ice](#) everywhere it stops, Kona Ice is expanding in Davenport. Introducing its distinctive blend of entertainment, gourmet frozen treats and FUN-draising, the Kona Ice experience is unlike any other in the area. Serving up good vibes in a cool ride, Kona Ice is now cruisin' through Davenport and Haines City.

"We are very passionate about supporting small businesses and wanted to open one of our very own," said David Still, co-owner of Kona Ice of Winter Haven & Lake Wales. "After researching Kona Ice and learning more about the opportunity to open one in our community, we were quick to act."

Kona Ice's escape from the ordinary begins as the sounds of tropical calypso music fills the air at each event and group gathering. The fun continues as all in attendance get their overflowing cups of freshly shaved ice and then help themselves to any of the ten tastes on the truck's Flavorwave™, Kona's innovative self-service dispensing system that allows for full customization. Guests also have the option to choose from the additional 20-plus flavors and 500 different combinations offered.

"We are excited to carry on Kona Ice's commitment to giving back to the communities that we serve," added Debbie. "Our community can look forward to seeing us at local festivals, neighborhood gatherings, sports events and more."

Dedicated to making a difference in local areas, Kona Ice continues to be committed to philanthropy in the communities it serves, raising more than \$100 million in total donations nationwide since 2007. David and Debbie Still are continuing the world's largest food truck franchise's tradition of donating thousands of dollars each year to local school groups, teams, and community organizations. David and Debbie pledge to give back a percentage of the proceeds from each event they host.

“David and Debbie share our commitment to giving back,” said Tony Lamb, founder and president of Florence, Ky.-based Kona Ice. “They have always been very passionate about their community and want to have a positive influence in the community, whether it’s new textbooks, sports uniforms or, simply, a smile. We are proud to have them on-board. Together, we are excited to make a difference in the lives of those around us.”

Beyond fundraisers, popular spots for the food truck franchise include stops throughout Davenport and Haines City at fairs, festivals and corporate events.
