

## Non-profits and Polk County

Olivia Moorehead | Northeast Polk Chamber of Commerce

One of the best parts of our jobs at the Northeast Polk Chamber of Commerce is working with our non-profit Members.

These non-profit organizations work to serve different segments of the communities by fulfilling specific needs. When a non-profit joins our Chamber, it then becomes our goal to help them increase their reach into the communities. We work to achieve this goal by advertising our non-profits' news, events, or promotions via our emails, website, and social media platforms. We also display physical promotion material in our lobby, which is open for visitors to stop in, browse, and take home available flyers, business cards, and more.

Like all of our members, our non-profits are offered the same chamber exclusive event and advertising opportunities. By hosting or attending a Chamber event, we are able to help our non-profit organizations connect with individuals and businesses in their communities. These connections often help to further a non-profit's service to their intended population segment.

We believe that non-profit organizations are a vital part of a thriving community. They offer much needed assistance for specific needs, whether it's providing free food, scholarships, a home for

displaced animals, and more. We are happy to help these non-profits extend their reach and impact by partnering with them to spread their news through our communications and events.

To highlight the work of our amazing non-profit members, we will be hosting a Non-profit Showcase Luncheon Sponsored by AdventHealth and Teresa Connell, State Farm Insurance on Thursday, November 18th at Lake Eva Event Center. The showcase will allow our non-profit Members to attend and educate attendees about their organizations through networking and distributing promotional material. We have some exciting details planned for the Luncheon, and we are excited for our Members and the community to attend and learn all about our wonderful local non-profits.

For more information about the non-profit Showcase Luncheon, please visit our website, [www.northeastpolkchamber.com](http://www.northeastpolkchamber.com), or contact us at [info@northeastpolkchamber.com](mailto:info@northeastpolkchamber.com) or 863-422-3751. The cost is \$20 per person, and RSVP's can be made via email, phone, or by using the online registration link coming soon. For a full list of our non-profit Members, please visit the Directory page of our website and click on the Community Organizations and Non-profit links listed on the left-hand side.
