Headline: September 2022 Spotlight - Casey's Cleaning LLC

Central FL - Casey's Cleaning Service has been in business since 1986. We are fully insured, bonded, and carry workman's comp. We arrive in company cars with our logo, wear recognizable company uniforms, and ensure that all of our employees pass a background check.

We have recently opened another location in the Orlando/Davenport area. We're here to help you with all of your residential house, commercial & janitorial cleaning, and more! All Casey's Cleaning employees have passed criminal background checks, are thoroughly trained, and will respect your home with the utmost integrity. We understand that it can be challenging to choose a trusted house cleaning company, and Casey's Cleaning takes that seriously.

At the end of 2021, Casey's Cleaning started selling franchises throughout the country. We now have 11 locations and are growing monthly. We have promotions in place, to help each franchise grow to its full potential. The best reason to own a Casey's Cleaning is that no matter your schedule, Casey's Cleaning franchises work around your life...so that you can have a life outside of work. Watch for us on CNBC when Kevin Harrington, from *Shark Tank*, interviews us on Franchise Discovery.
